## Announcement

### To All Lovers of Good Cattle, Greeting:

In handing you this our annual Short Horn Sale Catalog, we invite you to spend a pleasant day at "Mondamin" and inspect our live stock. Our sale pavillion will be heated so as to insure a comfortable place for those attending, no matter what the weather may be.

### A Word About The Cattle

Our herd bulls are of the best Scotch breeding and believe that very few herds of Short Horns have had as strong a trio of bulls in service at one time as the "Mondamin" herd has had in Victor of Wayside 2d, a richly bred Victoria bull of great depth of body, Sir Valentine, an Aconite of unusual substance, and Gay Morning included in this sale. He is a rich roan, weighing 2200 pounds in breeding condition and has a splendid chest, well sprung rib, and a loin with a wonderful covering of flesh. Calves in this sale and cows bred to him prove that he is a breeder. Being only a three-year-old bull he will be a good purchase for some breeder.

The younger bulls are a fine even lot and like our 1909 offering ought to go out and give excellent service.

In females we are offering a few young ones that are show prospects besides a number of good regular breeding cows with calves at foot, others due to calve during the winter. There will probably not be a more useful lot of cattle sold this year than these.

Our railroad facilities are the best making it easy to reach the sale, also making it convenient in shipping stock.

We hope to meet and shake your hand sale day,

Sincerely,

HELD BROS.

## Terms of Sale

All cows with calves at foot are proven breeders and no further guarantee will be given. All other females of breeding age, which have been bred are guaranteed breeders.

All bulls of breeding age are guaranteed to be breeders with proper care. If a bull fails to breed we must be notified within six months from date of sale. We reserve the right when so notified, to have the bull returned to us for further trial, bull to be in as good condition as when sold, if he then fails to breed purchase price will be returned, but if the bull breeds for us, he will be returned to purchaser at his expense.

**Terms**—cash or credit of ten months will be given on bankable note bearing 8% interest from date of sale. Parties unknown to us please bring late bank reference.

**The Orange Blossom Family**—is a family of A. Cruickshank's breeding, well known to all Short Horn breeders. Got by Valiant 171067, a roan, bred by H. and W. Smith, Hay, Ontario, was by Abbotsford, a prize-winner and a sire of many winners; and his dam, Vanity, was shown throughout the entire Canadian fair circuit as a calf in 1892, as yearling in 1893, and as a cow in 1897, and won all first prizes those years. Valiant won first and championship at St. John, N. B., 1900; first and championship at Toronto, 1901; first at New York State Fair, 1901; third at Pan-America Exhibition, 1901; first and championship at Springfield, Ill., 1901.—Dam, Miss Lavender, of Mr. Cruickshank's Lavender tribe, a beautiful cow carrying four crosses of splendid bulls on top of Imp. Lavender 34th. She represents the blood lines that made Col. Harris of Linwood, Kan., famous as a Short Horn breeder.
